Introduction-School Profile

Desert Oasis High School and Phoenix Rising High School are located in the city of El Centro, which has a population of approximately 42,000. These two high schools are four high schools in the Central Union High School District, which was established in 1908. In 1993, Desert Oasis High School (at its present location) was constructed. It quickly established its unique and separate identity as an “Alternative High School.” This alternative education school serves a transient student population that fluctuates between 150 to 200 high risk students, grades nine through twelve.

Desert Oasis and Phoenix Rising Comprehensive School Safety Plan describes programs and strategies that are in place, thus allowing the students, staff, and administration to provide a safe and secure learning environment.

School Crime Status and Reporting
An analysis of the number of suspensions and expulsions from 2008 to the year 2014 reveals that the numbers have fluctuated. These figures were reported with the California Department of Education Safe & Healthy Kids Program Office. These figures include both long-term (more than 90 days enrollment) and short term students (less than 90 days enrollment). The suspension rates are much lower for long-term students. There was an influx of highly transitory students in 2014, as well as students transitioning from Court Community School, which may have contributed to the marked increase of suspensions.

The immediate area around the school includes low income housing (apartments and single-family dwellings).

**Description of School Grounds**
Desert Oasis High school consists of (17) buildings, housed on a corner lot, that is adjacent to the District Office. Included on the campus are a small athletic field, and a basketball court. The main gate, which is at the front of the school, is the only entrance and exit allowed during school hours. The Principal’s office sits adjacent to this main entrance, thus, it is very visible. Phoenix Rising High School consists of (2) classrooms and is located in the back part of Desert Oasis adjacent to the District office. The main entrance in thru Desert Oasis High School.

Staff members monitor “passing periods” daily. This decreases discipline issues, crime, tardiness, and other safety issues. The restrooms are checked during passing periods to prevent vandalism or smoking in the building. Graffiti is not a major problem at Desert Oasis/ Phoenix Rising, but when it appears it is immediately removed.

**Maintenance of School Buildings/Classrooms**
The school’s physical facility is well maintained and almost always looks neat and clean. District maintenance personnel periodically examine the facility and help to eliminate any obstacle that may be a safety issue. Additionally, health and fire officials inspect the site periodically, thus contributing to the school’s safety.

The classrooms and site are monitored daily (through walk-throughs) by the administration, security, and classroom teachers. The students also take pride in the appearance of their school.
Internal Security Procedures

Desert Oasis High School/Phoenix Rising High School maintains a copy of the District’s sexual harassment policy in the Principal’s office. A copy is included in registration packets that go to parents upon registration each year. The District’s Sexual Harassment Policy contains dissemination plans, applicable definitions, reporting requirements, investigation procedures, enforcement regulations and information related to suspension/expulsion for sexual harassment of or by pupils.

To ensure the safety of students and staff, all visitors are required to report to the main office when school is in session. District employees are required to wear appropriate badges while on campus conducting business. Students are also required to wear visible ID cards at all times when on campus.

Discipline procedures focus on finding the cause of problems and working with all concerned to reach the proper, lawful solutions. The school’s discipline plan begins at the classroom level. Teachers use a visible classroom management plan to communicate classroom/site rules, and promote positive student conduct, thus reducing inappropriate behavior. Appropriate consequences will be administered based on the seriousness of the student’s misconduct. A discipline matrix stating the consequences of cumulative behavior is to be given to each student at the beginning of each year.

Student conduct standards and consequences for Desert Oasis High School/Phoenix Rising High School, are specifically described in this Comprehensive Schools Safety Plan, including: A guide for school discipline rules and procedures, District Disciplinary Guidelines, and a school-wide dress code.

Students may be suspended, transferred to another school, or recommended for expulsion for certain acts. For specific (heinous) student violations, a mandatory expulsion recommendation shall be submitted by the administration to proper District personnel.
Desert Oasis High School/Phoenix Rising High School Administration and staff contribute to a positive school climate, promote positive student behavior and help reduce inappropriate behavior. All staff members use available district and other appropriate records to inform teachers of each pupil identified under E.C. 49079.

Additional internal security procedures affecting the integrity of the school facility include a fire alarm system in all buildings and operational phones in all classrooms. The administration and security staff use two-way radios/phones to communicate with each other. Community involvement is encouraged to help increase school safety.

**Inventory System**

Most school-site equipment has a metal ID tag or a bar code sticker adhered to its surface. These items are inventoried periodically and there is an established accountability system. Office and classroom supplies are secured in locked cabinets, whenever possible.

SAFETY STRATEGY SAMPLES

Introduction
Safe Schools are orderly and purposeful places where students and staff are free to learn and teach without the threat of physical and psychological harm. DESERT OASIS HIGH SCHOOL and PHOENIX RISING HIGH SCHOOL promotes educational and psychological healthy environments for all students. DESERT OASIS HIGH SCHOOL and PHOENIX RISING HIGH SCHOOL recognizes there are comprehensive, broad factors directly related to a safe school environment such as the school facility, school programs, staff, parents and the community. DESERT OASIS HIGH SCHOOL and PHOENIX RISING HIGH SCHOOL recognizes that safe school practices make major contributions to academic and school improvement efforts.

Although keeping students safe requires a community-wide effort, schools are an important piece of the undertaking to keep students safe. DESERT OASIS HIGH SCHOOL and PHOENIX RISING HIGH SCHOOL efforts are illustrated below which broaden the safety planning and incorporate an extensive range of strategies and programs in the school safety plan are illustrated below.

SCHOOL SAFETY STRATEGY #1: Positive pupil interpersonal relations are fostered by teaching social-personal skills, encouraging pupils to feel comfortable assisting others to get help when needed and teaching pupils alternative, socially appropriate replacement responses to violence, including, but not limited to problem solving and anger control skills. When appropriate, staff members shall make referrals to community agencies, counseling and mental health resources. The referrals will assist parents/students with issues, prevention and intervention. The school uses a variety of methods to communicate to pupils, parents, and the greater community that all students are valued and respected.

Preventing and Intervening: Pupil Aggressive Behavior
Creating a safe school requires having in place many preventive measures for student’s mental and emotional problems. Schools can reduce the risk of violence by teaching students appropriate strategies for dealing with emotions, expressing anger in appropriate ways and resolving conflicts.

DESERT OASIS HIGH SCHOOL and PHOENIX RISING HIGH SCHOOL uses a comprehensive approach to school violence prevention. Pupils are identified by using measures shown to be highly effective in identifying students with antisocial and aggressive behaviors. These measures include: (a) number of disciplinary referrals to office, (b) observed aggressive behavior, and (c) teacher observation (d) attendance and (e) academic performance.

Mental Health Programs Assigned to DESERT OASIS HIGH SCHOOL and
PHOENIX RISING HIGH SCHOOL is a school psychologist, (1 counselor) and a Migrant Program Coordinator. District programs contributing to mental health goals include an Imperial County Department of Behavior Substance Abuse Counselor and the CUHSD Family Resource Center. Referrals are made for Parenting, Group Counseling, Crisis Intervention and Conflict Resolution Sessions. A nurse is available to assist our students when needed. DESERT OASIS HIGH SCHOOL and PHOENIX RISING HIGH SCHOOL shall identify students in need and bring forth the student and the family to the school's Student Success Team. DESERT OASIS HIGH SCHOOL and PHOENIX RISING HIGH SCHOOL shall implement an Incident Crisis Response Plan for "suicide" in cases where a student exhibits specific characteristics. In incidences of possible suicide, school/district psychologist or police crisis response units shall be contacted.

**Professional Development** The Central Union High School District provides professional development for teachers, parents, and community members. Instructional Coaches and a Supervisor of Instruction provide training to Central Union High District Certificated Staff. Amongst the goals of such programs are to help others establish and nurture a healthy sense of self confidence and self-control, to develop personal and social responsibility and to enhance academic success.

**Student Recognition Programs** DESERT OASIS HIGH SCHOOL and PHOENIX RISING HIGH SCHOOL offers several recognition and award programs such as Student of the Month, Excellent Attendance Awards, and Citizenship Award.

**SCHOOL SAFETY STRATEGY #2:** Procedures, programs and strategies used to help eliminate problems of bias or unfair treatment of pupils by staff and by peers because of ethnic group, gender, race, national origin, social class, religion, disability, sexual orientation, physical appearance, color, ancestry, parental status, or other relevant characteristics. The school provides a way for each pupil to safely report and, be protected after reporting, troubling behaviors that the pupil thinks may lead to dangerous situations, such as potential school violence.

**Non-discrimination and Fair Treatment of Pupils** A major source of conflict in many schools is the perceived or real problem of bias and unfair treatment of students because of ethnicity, gender, race, social class, religion, disability, nationality, sexual orientation, physical appearance, or some other factor. Effective schools convey the attitude that all students can achieve academically and behave appropriately, while at the same time appreciating individual differences. Effective schools communicate to students and the community that all students are valued and respected.

In order to maximize the successful education of all students and help them become productive citizens and lifelong learners in a diverse society, all individuals
including students, parents, staff and community members shall:

- Be treated with dignity, respect and fairness;
- Encourage and maintain high expectations;
- Model an appreciation for socio-economic, cultural, ethnic, gender and religious diversity; and
- Contribute to an environment of mutual respect, caring and cooperation.

Students, parents, staff and community members shall join together to share a sense of belonging and take pride in our schools, facilities and programs through participation and cooperation in support of the education of all students.

A copy of the District attendance, academic and disciplinary policy is provided to each parent/student annually or upon enrollment. A copy of the District Attorney’s letter informing parents on current truancy and attendance enforcement of education codes is provided to parents upon enrollment. These forms include information pertaining to student rights to physical safety, to the protection of personal property, respect from adults, and to be free of discrimination on the basis of gender, race, color, religion, ancestry, national origin, ethnic group, marital or parental status, physical or mental disability, sexual orientation or the perception of one or more of such characteristics. The District’s policies on non-discrimination and sexual harassment support these protections and serve to promote the fair treatment of all children.

**Discipline Policy and Code** DESERT OASIS HIGH SCHOOL and PHOENIX RISING HIGH SCHOOL are committed to becoming a safe school by developing school-wide rules that are clear, broad-based, and fair. School safety can be enhanced by the development of a school-wide disciplinary policy that includes a code of conduct, specific rules and consequences that can accommodate student differences on a case-by-case basis when necessary. Discipline consequences should be appropriate with the offense, should be written, applied in a nondiscriminatory manner, and accommodate cultural diversity. Direct teaching and social problem solving and social decision-making is now a standard feature of effective drug and violence prevention programs. (Discipline Plan attached at the back of the Safety Plan)

DESERT OASIS HIGH SCHOOL and PHOENIX RISING HIGH SCHOOL use both classroom and school-wide discipline codes that clearly communicate the behavioral expectations and consequences for pupils. DESERT OASIS HIGH SCHOOL and PHOENIX RISING HIGH SCHOOL have developed plans to promote positive behaviors in the Ramada, hallways, and assembly areas. (all areas of Desert and Phoenix / outside of classrooms)

**SCHOOL SAFETY STRATEGY #3:** DESERT OASIS HIGH SCHOOL and PHOENIX RISING HIGH SCHOOL administrators, teachers, families,
pupils, support staff, and community members recognize and make appropriate use of the early warning signs related to violence, substance abuse, and other at-risk concerns.

**Crisis Intervention and Disaster Planning** The DESERT OASIS HIGH SCHOOL and PHOENIX RISING HIGH SCHOOL staff shall increase school safety by evaluating and addressing serious behavioral and academic concerns. Weapons (on campus and in the community), bomb threats, explosives, fights, natural disasters, accidents, and suicides require immediate, planned action, and long-term, post-crisis intervention. Planning for such contingencies reduces chaos and trauma.

DESERT OASIS HIGH SCHOOL and PHOENIX RISING HIGH SCHOOL benefits from the District’s Earthquake Disaster Crisis Response Plan (EDCR). The EDCR Plan includes information on how to respond to a crisis. Risk factors, response and contingency plans, quick response designs, parent contacts, debriefing, suicide/threat response, violence/aggression response and training/drills to become aware of warning signs are among the areas addressed. A Threat Assessment Team evaluated the campus security, disaster plans and crisis intervention procedures. A thorough walk through of the school campus was also completed by the team.

**Teacher Notice of Disciplinary History**
Student Services shall provide to the teachers of DESERT OASIS HIGH SCHOOL and PHOENIX RISING HIGH SCHOOL information on each pupil who has: (1) during the previous three school years, engaged in any suspendable or expellable act (except E.C. 48900 (h)) or (b) committed a crime reported to the District by a family member, local law enforcement, Probation Department or Social Services. This information is used to develop awareness, assigning appropriate discipline consequences, helps in allocating resources, and is a factor in determining which services are provided to the pupil or recommended to the parent/guardian.

Gang affiliation and gang activity will not be tolerated at DESERT OASIS HIGH SCHOOL and PHOENIX RISING HIGH SCHOOL. The staff at DESERT OASIS HIGH SCHOOL and PHOENIX RISING HIGH SCHOOL shall work closely with the local law enforcement/Gang Unit regarding all issues and matters that are gang related. **Gangs / Crew and Graffiti**
Local city efforts have resulted in a school resource officer program. DESERT
OASIS HIGH SCHOOL and PHOENIX RISING HIGH SCHOOL uses its links with the City of El Centro to enhance its effort to curb gang / crew influence.

**Alternative Programs**
Research has shown that effective alternative programs can have long-term positive results by reducing expulsions and court referrals. DESERT OASIS HIGH SCHOOL and PHOENIX RISING HIGH SCHOOL has access to the district's independent Study Program, Phoenix Rising, and the Student Attendance Review Board (S.A.R.B.) for placement in one of the programs offered through the Imperial County Department of Education (Valley Academy). These alternative programs, when matched to a pupil's needs, can produce positive outcomes.

**Drug and Violence Prevention Programs**
The goals of the district's Drug Alcohol and Tobacco Education Program and other related community programs / group counseling, include providing all freshman pupils with a comprehensive drug and violence prevention program. The El Centro Police Department Canine Unit is an available resource that is utilized on the CUHS campus.

**Truancy Abatement Efforts**
DESERT OASIS HIGH SCHOOL and PHOENIX RISING HIGH SCHOOL recognizes the importance of punctuality and regular attendance. The staff of DESERT OASIS HIGH SCHOOL and PHOENIX RISING HIGH SCHOOL shall accurately record the attendance record for all students. Parents of students with poor attendance will be contacted by phone calls, home visits, student conferences and letters sent home. Students are referred to the Student Success Team. Students with poor attendance due to medical issues will be referred to the school nurse / admin / counselor. Should attendance problems continue official action is to be taken, which could result in a referral to the School Attendance Review Board / District Attorney Office / Enforcement of City Ordinance No. 18-48.1(A).

**SCHOOL SAFETY STRATEGY #4**: Plan(s) and method(s) are available to identify isolated and troubled students, help foster positive relationships between school staff and students, and promote meaningful parental and community involvement.

Such training promises to maximize the parent’s contribution to academic excellence and noteworthy social-development.

**Problem Solving Teams**

School communities can enhance their effectiveness by identifying factors that result in violence and other problem behaviors. On-site collaborative problem-solving teams are viewed as essential to successful prevention and intervention with aggressive behavior. DESERT OASIS HIGH SCHOOL and PHOENIX RISING HIGH SCHOOL utilizes a Student Success Team to help address issues of problem behavior. These problem-solving efforts bring together school staff, parents, and when appropriate, involved community-based agencies and the student. The goal is to help identify, clarify, analyze and resolve issues concerning student, educational and family concerns. The Student Success Team is flexible enough to address individual problems and school-wide matters. After various attempts have been made for parents to attend SST meetings, the team will facilitate a conference call and/or home visit if needed.

**Community Linkages**

When working with parents and students with specific issues, the staff at
DESERT OASIS HIGH SCHOOL and PHOENIX RISING HIGH SCHOOL provides information to the families regarding available community resources. The staff of the Desert Oasis High School and Phoenix Rising High School shall work closely with recognized local city, county and state agencies.

**SCHOOL SAFETY STRATEGY #5**: Specific employees (e.g., the campus supervisor) use unique strategies to promote school safety.

**Campus Supervisor and Administrative Positions**
Schools can enhance physical safety by monitoring the surrounding school grounds—including landscaping, parking lots. Students can also be a good source of information. Peers often are the most likely group to know in advance about potential school violence.

DESERT OASIS HIGH SCHOOL and PHOENIX RISING HIGH SCHOOL employs a Principal and a Counselor whose jobs are designed to help increase school safety, prevent prohibited offenses, and promote positive student relationships. The Principal, Counselor, and Security staff have developed procedures to monitor the school campus, the surrounding areas, and have designated the safe entrance and exit routes to school. Furthermore, recognizing that pupils are often the first to know of dangerous plans or actions, the Principal, Counselor and Security staff at DESERT OASIS HIGH SCHOOL and PHOENIX RISING HIGH SCHOOL have an open door policy, making themselves available for a student to safely report troubling behaviors that may lead to dangerous situations. When it comes to school safety, students are taught not to keep silent. DESERT OASIS HIGH SCHOOL and PHOENIX RISING HIGH SCHOOL recognizes that campus disturbances and crimes may be committed by visitors and outsiders to the campus. Several steps have been taken to protect the school, staff, and pupils from safety threats by individuals visiting the campus area. In addition, disputes often occur because of parental custody issues. The staff of DESERT OASIS HIGH SCHOOL and PHOENIX RISING HIGH SCHOOL will maintain in the student’s records, custody documentation provided by families and will request assistance from local law enforcement, restraining orders and the Office of Child Welfare and Attendance as needed.

DESSERT OASIS HIGH SCHOOL and PHOENIX RISING HIGH SCHOOL uses continuing efforts to minimize the number of campus entrance and exit points used daily. Access to school grounds is limited and supervised on a regular basis by individuals, such as the campus supervisor; staff familiar with the student body and surveillance cameras. Campus traffic, both pedestrian and vehicular, flows through areas that can be easily and naturally supervised. The campus has perimeter fencing.

To ensure the safety of students and staff and avoid potential disruptions, all visitors to the campus, except pupils of the school and staff members, must register immediately upon entering any school building or grounds when school is in session.

DESSERT OASIS HIGH SCHOOL and PHOENIX RISING HIGH SCHOOL has established a visible means of identification for visitors while on school premises (i.e. tag). Furthermore, the Principal, designee or campus supervisor may direct an individual to leave school grounds if he/she has a reasonable basis for concluding that the person is committing an act that is likely to interfere with the peaceful conduct of school activities or that the person has entered the campus with the purpose of committing such an act.

DESSERT OASIS HIGH SCHOOL and PHOENIX RISING HIGH SCHOOL has developed a notice for disruptive individuals and, when appropriate, exercises the authority to remove a visitor or outsider from the campus. Law Enforcement/School Resource Officer and campus security is immediately contacted for individuals engaging in threatening conduct, including disturbing the peace.

DESSERT OASIS HIGH SCHOOL and PHOENIX RISING HIGH SCHOOL notice and removal system establishes sufficient documentation for civil law remedies as needed. For continuing disruptive behavior by a visitor or outsider, DESSERT OASIS HIGH SCHOOL and PHOENIX RISING HIGH SCHOOL shall contact the district office to determine whether to file for a temporary restraining order and injunction.

Investigation and Resolution of Complaints

Any complaint of bullying shall be investigated and, if determined to be discriminatory, resolved in accordance with law and the district's uniform complaint procedures specified in AR 1312.3.

The Board of Trustees hereby directs the principal or designee to investigate complaints of discrimination, harassment, intimidation or bullying prohibited by the Board Policy, and also to investigate circumstances where it is reasonably suspected that a pupil or pupils engaged in misconduct prohibited by this policy. Incidents shall be investigated and resolved as soon as possible, but no later than five (5) school days from receiving a complaint. If a complainant is not satisfied with the school's resolution of the complaint, he or she may submit an appeal to the Superintendent within five (5) school days, and such appeal shall be reviewed, and a decision on the appeal issued, within five (5) days from the receipt.

SUSPENSION AND EXPULSION POLICIES

Central Union High School District

Board Policy No. 5144.1

Students

Suspension and Expulsion

The Governing Board has established policies and standards of behavior in order to promote learning and protect the safety and well being of students. When these policies and standards are violated, it may be necessary to suspend or expel a student from regular classroom instruction.

(cf. 5144 - Discipline)

Suspended or expelled students shall be excluded from all school-related extracurricular activities during the period of suspension or expulsion.

(cf. 6145 - Extracurricular and Co curricular Activities)

Except in cases where suspension for a first offense is warranted in accordance with law, suspension shall be imposed only when other means of correction fail to bring about proper conduct. (Education Code 48900.5)

Expulsion is an action taken by the Board for severe or prolonged breaches of discipline by a student. Except for single acts of a grave nature, expulsion is usually used only when there is a history of misconduct, when other forms of discipline, including suspension, have failed to bring about proper conduct, or when the student's presence causes a continuing danger to him/herself or others. (Education Code 48915)

The grounds for suspension and expulsion and the procedures for considering, recommending and/or implementing suspension and expulsion shall be specified in administrative regulation.

Each principal shall annually inform all students and parents/guardians of the school's discipline rules and procedures and of the availability of all district policies and regulations dealing with student discipline, suspension and expulsion. (Education Code 35291, 35291.5)
The Governing Board shall focus on fostering a safe educational environment. The Superintendent or designee shall notify students and parent/guardians about the district’s discipline policy and the consequences, which may result from student offenses.

**Student Due Process**

The Board shall provide for the fair and equitable treatment of students facing suspension and expulsion by affording them their due process rights under the law. The Superintendent or designee shall comply with procedures for notices and appeals as specified in regulation and law. (Education Codes 48911, 48915 and 48915.5)

(cf. 5119 - Students Expelled from other Districts)

(cf. 5144.2 - Suspension and Expulsion/Due Process - Individuals with Disabilities)

**On-Campus Student Alternative Placement Program**

The Board recognizes that students who are suspended from school frequently have no supervision or guidance during the school hours when they are off campus and may fall behind in the course work. The Board believes that in many cases, it would be better to manage the student's behavior by keeping the student at school and providing him/her with supervision that is separated from the regular classroom.

The Superintendent or designee shall establish a supervised student alternative placement program, which meets the requirements of law for suspended students who pose no imminent danger or threat at school and for whom an expulsion action has not been initiated.

The Superintendent or designee shall examine alternatives to off-campus suspension and may establish a student alternative placement program which involves progressive discipline during the school day on campus; use of conferences between staff, parents/guardians and students; detention; student study teams or other assessment-related teams; and/or referral to school support services staff. The use of such alternatives does not preclude off-campus suspensions.

**Required Parental Attendance**

The Board believes that parental involvement plays an important role in the resolution of classroom behavior problems. The Board expects that teachers will communicate with parents/guardians when behavior problems arise. The Board recognizes that current law enables parents/guardians to be absent from work
without endangering their employment status in order to attend a portion of their
child's school day at a teacher's request. Besides furthering improved classroom
behavior, such attendance should promote positive parent-child interactions.

Whenever a student is removed from a class because he/she committed an
obscene act, engaged in habitual profanity or vulgarity, disrupted school activities
or otherwise willfully defied valid staff authority, the teacher of the class from
which the student was removed may provide that the student's parent/guardian
attend a portion of a school day in that class. After completing the classroom visit
and before leaving school premises, the parent/guardian also shall meet with the
principal or designee. (Education Code 48900.1)

The Board encourages teachers, before requiring parental attendance, to make
reasonable efforts to have the parent/guardian visit the class voluntarily. The
teacher also may inform the parent/guardian about available resources and
parent education opportunities. Teachers should reserve the option of required
parental attendance for cases in which they have determined that it is the best
strategy to promote positive interaction between the student and the
parent/guardian and to improve classroom behavior.

The teacher shall apply this policy uniformly to all students within the classroom.
This policy shall apply only to a parent/guardian who lives with the student
(Education Code 48900.1)

Parental attendance may be requested on the day the student returns to class or
within one week thereafter. The principal or designee shall contact any
parents/guardians who do not respond to the request to attend school. The
Board recognizes that parental compliance with this policy may be delayed,
modified or prevented for reasons such as serious illness/injury/disability,
absence from town, or inability to get release time from work.

District regulations and school site rules for student discipline shall include
procedures for implementing parental attendance requirements.

Decision not to Enforce Expulsion Order

On a case-by-case basis, the Board pursuant to the requirements of the law may
suspend the enforcement of an expulsion order.

Parents/guardians shall be notified of this policy before it is implemented and at
the beginning of each subsequent school year. (Education Codes 48900.1,
35291, 48980)

District regulations and school-site rules for student discipline shall include
procedures for implementing parental attendance requirements.

**REMOVAL FROM CLASS BY A TEACHER/PARENTAL ATTENDANCE**

A teacher may suspend any student from his/her class for the remainder of the day and the following day for any act listed in “Grounds for Suspension and Expulsion” above. (Education Code 48910)

A teacher also may refer a student to the site administration for consideration of suspension from school. (Education Code 48910)
When removing a student from his/her class, the teacher shall immediately report this action to site administration and send the student to administration for appropriate action. The student shall be appropriately supervised during the class periods from which he/she has been removed.

As soon as possible, the teacher shall ask the student’s parent/guardian to attend a parent-teacher conference regarding the removal. A counselor or psychologist should attend the conference if it is practicable, and a school administrator may attend if either the parent/guardian or teacher so requests.

A student removed from class shall not be returned to class during the period of removal without the approval of the teacher of the class and the site administration. (Education Code 48910)

A student removed from class shall not be placed in another regular class during the period of removal. However, if a student is assigned to more than one class per day, he/she may be placed in any other regular classes except those held at the same time as the class from which the student was removed. (Education Code 48910)

The teacher of any class from which a student is removed may require the student to complete any assignments and tests missed during the removal. (Education Code 48913)

Pursuant to Board policy, a teacher may provide that the parent/guardian of a student whom the teacher has removed attend a portion of a school day in his/her child’s classroom. This notice shall also:

2. Describe the legal protections afforded to the parent/guardian as an employee under Labor Code 230.7.

3. State that if the parent/guardian does not have a means of transportation to school, he/she may ride the school bus with the student.

SUSPENSION BY SUPERINTENDENT, PRINCIPAL OR PRINCIPAL’S DESIGNEE

The Superintendent or designee shall immediately suspend any student found at school or at a school activity to be: (Education Code 48915)

2. Brandishing a knife, as defined in Education Code 48915(g), at another person.

4. Committing or attempting to commit a sexual assault or committing a sexual battery as defined in item #14 under “Grounds for Suspension and Expulsion”.

5. Possession of an explosive as defined in 18 USC 921.

Suspension also may be imposed upon a first offense if the Superintendent, principal or designee determines the student violated items #1-5 listed in “Grounds for Suspension and Expulsion” above or if the student’s presence causes a danger to persons or property or threatens to disrupt the instructional process. (Education Code 48900.5)

A student may be suspended from school for not more than 20 school days in any school year, unless for purposes of adjustment a student enrolls in or is transferred to another regular school, an opportunity school, or continuation school or class, in which case suspension shall not exceed 30 days in any school year. However, this restriction on the number of days of suspension does not apply when the suspension is extended pending an expulsion. (Education Code 48903, 48912)

The Superintendent or designee may count suspensions that occur while a student is enrolled in another school district toward the maximum number of days for which a student may be suspended in any school year. (Education Code 48903)
Suspensions shall be initiated according to the following procedures:

1. Informal Conference: Suspension shall be preceded by an informal conference conducted by the principal, designee or the Superintendent with the student and whenever practicable, the teacher, supervisor or school employee who referred the student to the principal. At the conference, the student shall be informed of the reason for the disciplinary action and the evidence against him/her; the student shall be given the opportunity to present his/her version and evidence in support of his/her defense. (Education Code 48911(b))

This conference may be omitted if the principal, designee or the Superintendent determines that an emergency situation exists. An "emergency situation" involves a clear and present danger to the lives, safety or health of students or school personnel. If a student is suspended without this conference, both the parent/guardian and student shall be notified of the student's right to return to school for the purpose of a conference. The conference shall be held within two school days, unless the student waives his/her right to it or is physically unable to attend for any reason. In such case, the conference will be held as soon as the student is physically able to return to school. (Education Code 48911(c))

2. Administrative Actions: All requests for student suspension are to be processed by the principal or designee of the school in which the student is enrolled at the time of the misbehavior. A school employee shall report the suspension, including the name of the student and the cause for the suspension, to the Superintendent or designee.

3. Notice to Parents/Guardians: At the time of the suspension, a school employee shall make a reasonable effort to contact the parent/guardian by telephone or in person. Whenever a student is suspended, the parent/guardian shall be notified in writing of the suspension. (Education Code 48911)

This notice shall state the specific offense committed by the student. (Education Code 48900.8).

In addition, the notice may also state the date and time when the student may return to school. If school officials wish to ask the parent/guardian to confer regarding matters pertinent to the suspension, the notice may add that state law requires the parent/guardian to respond to such requests without delay.

4. Parent/Guardian Conference: Whenever a student is suspended, school officials may meet with the parent/guardian to discuss the causes and duration of the suspension, the school policy involved, and any other pertinent matters. (Education Code 48914)

While the parent/guardian is required to respond without delay to a request for a conference about a student's behavior, no penalties may be imposed on the
student for the failure of the parent/guardian to attend such conference. The student may not be denied readmission solely because the parent/guardian failed to attend. (Education Code 48911)

5. Extension of Suspension: If the Board is considering the expulsion of a suspended student from any school or the suspension of a student for the balance of the semester from continuation school, the Superintendent or designee may, in writing, extend the suspension until such time as the Board has made a decision. (Education Code 48911(g))

Any extension of the original period of suspension shall be preceded by notice of such extension with an offer to hold a conference concerning the extension, giving the student an opportunity to be heard. This conference may be held in conjunction with a meeting requested by the student or parent/guardian to challenge the original suspension. Extension of the suspension may be made only if the Superintendent or designee determines, following a meeting in which the student and the student's parent/guardian were invited to participate, that the student's presence at the school or at an alternative school would endanger persons or property or threaten to disrupt the instructional process. (Education Code 48911)

**SUSPENSION BY THE BOARD**

The Board may suspend a student for any of the acts listed in “Grounds for Suspension and Expulsion” above and within the limits specified in “Suspension by Superintendent, Principal or Principal's Designee” above. (Education Code 48912)

The Board may suspend a student enrolled in a continuation school or class for a period not longer than the remainder of the semester if any of the acts listed in “Grounds for Suspension and Expulsion” occurred. The suspension shall meet the requirements of Education Code 48915. (Education Code 48912.5)

When the Board is considering a suspension, disciplinary action, or any other action (except expulsion) against any student, it shall hold closed sessions if a public hearing would lead to disclosure of information violating a student’s right privacy under Education Code 49073-49079.

(cf. 9321 - Closed Session Purposes and Agendas)

The Board shall provide the student and his/her parent/guardian with written notice of the closed session by or certified mail. Upon receiving this notice, the student or parent/guardian may request a public meeting, and this request shall be granted if made in writing within 48 hours after receipt of the Board's notice. However, any discussion that conflicts with any other student's right to privacy still shall be held in closed session. (Education Codes 35146, 48912)
**ON – CAMPUS STUDENT ALTERNATIVE PLACEMENT PROGRAM**

Students for whom an expulsion action has not been initiated and who pose no imminent danger or threat to the school may be assigned to a separate, supervised suspension classroom for the entire period of suspension. The following conditions shall apply: (Education Code 48911.1)

1. The supervised alternative placement classroom shall be staffed in accordance with law.

2. The student shall have access to appropriate counseling services.

3. The supervised alternative placement classroom shall promote completion of schoolwork and tests missed by the student during the suspension.

4. Each student shall be responsible for contacting his/her teacher(s) to receive assignments to be completed in the supervised alternative placement classroom. The teacher shall provide all assignments and tests that the student will miss while suspended. If no such work is assigned, the person supervising the alternative placement classroom shall assign schoolwork.

At the time a student is assigned to a supervised alternative placement classroom, the principal or designee shall notify the student’s parent/guardian in person or by telephone. When the assignment is for longer than one class period, this notification shall be made in writing. (Education Code 48911.1)

**AUTHORITY TO EXPEL**

Only the Board may expel a student. The Board shall expel, as required by law, any student found to have committed certain offenses listed below under “Mandatory Recommendation and Mandatory Expulsion.”

The Board also may order a student expelled for any of the acts listed under “Grounds for Suspension and Expulsion” upon recommendation by the principal, Superintendent, hearing officer or administrative panel, based on finding either or both of the following: (Education Code 48915 (b) and (e))

1. That other means of correction are not feasible or have repeatedly failed to bring about proper conduct.

2. That due to the nature of the violation, the presence of the student causes a continuing danger to the physical safety of the student or others.
MANDATORY RECOMMENDATION FOR EXPULSION

Unless the principal, Superintendent or designee finds that expulsion is inappropriate due to particular circumstances, the principal, Superintendent or designee shall recommend a student’s expulsion for any of the following acts: (Education Code 48915 (a))

1. Causing serious physical injury to another person, except in self-defense.

2. Possession of any knife as defined in Education Code 48915(g), explosive or other dangerous object of no reasonable use to the student.

3. Unlawful possession of any controlled substance, as listed in the Health and Safety Code 11053-11058, except for the first offense for the possession of not more than one ounce of marijuana, other than concentrated cannabis.

4. Robbery or extortion.

5. Assault or battery, as defined in Penal Code 240 and 242, upon any school employee.

MANDATORY RECOMMENDATION AND MANDATORY EXPULSION

Note: The Attorney General has determined, in 80 Ops.Cal. Atty. Gen. 347 (1997), that a district may not adopt a zero tolerance policy mandating expulsion of a student for a first offense of possession of a controlled substance or alcohol.

The principal, Superintendent or designee shall recommend that the Board expel any student found at school or at a school activity to be: (Education Code 48915(c))

1. Possessing, as verified by a district employee, or selling or otherwise furnishing a firearm, unless the student had obtained prior written permission to possess the item from a certificated school employee, with the principal or designee’s concurrence.

2. Brandishing a knife as defined in Education Code 48915(g) at another person.

3. Unlawfully selling a controlled substance listed in Health and Safety Code 11053-11058

4. Committing or attempting to commit a sexual assault or committing a sexual battery as defined in item #14 under “Grounds for Suspension and Expulsion” above.
5. Possessing an explosive as defined in 18 USC 921.

Upon finding that the student committed any of the above acts, the Board shall expel the student. (Education Code 48915)

The initial recommendation for consideration of expulsion is that of the school principal or the Superintendent. Designees may not make this type of recommendation.

The recommendation for consideration of expulsion shall be submitted to the Director, Office of Student Services, who will review the material and recommend:

1. Reassignment to appropriate regular education program.

2. Refer student to Alternative Program; i.e., Community School, Independent Study, Continuation School, or other district programs.

3. Refer the matter to the Discipline Review Panel for further consideration.

When a case is referred to the Discipline Review Panel, the panel shall question school personnel who have information on the incident and the behavior record of the student charged and weighs the evidence presented.

The panel shall, in the case of an expulsion consideration, weigh information presented to determine:

a. Is the evidence sufficient to support consideration by the expulsion panel?

b. Has the district, through the schools involved, considered or utilized alternatives to expulsion when possible?

c. Have due process procedures been adhered to?

The recommendation shall be either to proceed with the expulsion or to utilize an existing practical alternative in lieu of expulsion.

If the district (school) has not adhered to due process requirements, the student shall be returned to school immediately.

If the Discipline Review Panel meets to consider a matter other than an expulsion, it shall provide its best judgment as to an effective alternative program or plan of action.
The recommendation of the Discipline Review Panel shall be forwarded to the Director, Office of Student Services, who shall then review the facts, concur, veto or modify the recommendation.

4. That an expulsion panel be convened.

At the time a recommendation for expulsion is submitted, a hearing shall be scheduled by the Superintendent or designee to determine whether the suspension shall be extended. If the decision is to extend the suspension, the period of time shall be until the Board has rendered a decision or until the expulsion process is otherwise terminated.

The extension of suspension shall be based upon determination by the Superintendent or designee that the presence of the student at the school or in an alternative school placement would cause a danger to persons or property or a threat of disrupting the instructional process. This extension shall be imposed only after the student and the parent/guardian have been given the opportunity to be present at a hearing conducted by the Superintendent or designee. At this time, the student and parent/guardian shall be given the opportunity to be heard and present any information that might bear upon the decision.

Materials, which support the decision of the person recommending the expulsion, shall be prepared and submitted to the Office of Student Services. The departments of Attendance, Guidance, Special Education and/or Health may be requested to assist in the preparation of this material.

**STUDENT’S RIGHT TO EXPULSION HEARING**

The student is entitled to a hearing to determine whether the student should be expelled. The hearing shall be held within 30 school days after the principal or Superintendent or designee determines that one of the acts listed under "Grounds for Suspension and Expulsion" has occurred. (Education Code 48918 (a))

The student is entitled to one postponement of an expulsion hearing for a period of not more then 30 calendar days. The request for postponement shall be in writing. Any subsequent postponement may be granted at the Board's discretion. (Education Code 48918(a))

If the Board finds it impractical during the school year to comply with these time requirements for conducting an expulsion hearing, the Superintendent or designee may, for good cause, extend the time period by an additional five school days. Reasons for the extension shall be included as a part of the record when the expulsion hearing is held. (Education Code 48918(a))
If the Board finds it impractical to comply with the time requirements of the expulsion hearing due to summer recess of Board meetings of more than two weeks, the days during the recess shall not be counted as school days. The days not counted during the recess may not exceed 20 school days as defined in Education Code 48925. Unless the student requests in writing that the expulsion hearing be postponed, the hearing shall be held no later than 20 calendar days prior to the first day of the next school year. (Education Code 48918(a))

Once the hearing starts, all matters shall be pursued with reasonable diligence and concluded without unnecessary delay. (Education Code 48918(a))

**WAIVER OF HEARING (DEFAULT PROCEEDINGS)**

If the parent/guardian agrees that their son/daughter behaved essentially in the manner stated in the principal’s letter recommending expulsion and that such behavior constitutes a violation of the California Education Code, Section 48900, 48900.2, 48900.3, 48900.4, 48900.7 and/or 48915 a suspendable/expellable offense, the parent/guardian may request to waive the Administrative Hearing Panel.

When the parent/guardian agrees to waive the Administrative Hearing Panel, they also waive all notification and timelines related to the expulsion hearing process, along with their rights to appeal the determination of the Board.

The signed affidavit and findings of fact will be submitted to the Board for their approval. The Board has the discretionary power to accept, reject, or modify all recommendations.

**RIGHTS OF COMPLAINING WITNESS**

An expulsion hearing involving allegations of sexual assault or sexual battery may be postponed for one school day in order to accommodate the special physical, mental or emotional needs of a student who is the complaining witness. (Education Code 48918.5)

Whenever the Superintendent or designee recommends an expulsion hearing that addresses allegations of sexual assault or sexual battery, he/she shall give the complaining witness a copy of the district’s suspension and expulsion policy and regulation and shall advise the witness of his/her right to all the following: (Education Code 48918.5)

1. Receive five days’ notice of his/her scheduled testimony at the hearing.

2. Have up to two adult support persons of his/her choosing present in the hearing at the time he/she testifies.
3. Have a closed hearing during the time he/she testifies.

Whenever any allegation of sexual assault or sexual battery is made, the Superintendent or designee shall immediately advise complaining witnesses and accused students to refrain from personal or telephone contact with each other during the time when an expulsion process is pending. (Education Code 48918.5)

Written Notice of the Expulsion Hearing (Education Code 48918(b))

Written notice of the hearing shall be forwarded to the student and the student's parent/guardian at least 10 calendar days before the date of the hearing. The notice shall include: (Education Code 48900.8, 48918(b))

1. The date and place of the hearing.

2. A statement of the specific facts, charges and offense upon which the proposed expulsion is based.

3. A copy of district disciplinary rules, which relate to the alleged violation.

4. Notification of the student’s or parent/guardian’s obligation, pursuant to Education Code 48915.1, to provide information about the student’s status in the district to any other district in which the student seeks enrollment. This obligation applies when a student is expelled for acts other than those described in Education Code 48915(a) or (c).

(cf. 5119 - Students Expelled from other Districts)

5. The opportunity for the student or the student's parent/guardian to appear in person and/or be represented by legal counsel or by a non-attorney advisor.

Legal counsel means an attorney or lawyer who is admitted to the practice of law in California and is an active member of the State Bar of California.

Non-attorney advisor means an individual who is not an attorney or lawyer, but who is familiar with the facts of the case, and has been selected by the student or student’s parent/guardian to provide assistance at the hearing.

6. The right to inspect and obtain copies of all documents to be used at the hearing.

7. The opportunity to confront and question all witnesses who testify at the hearing.
8. The opportunity to question all evidence presented and to present oral and documentary evidence on the student's behalf, including witnesses.

**CONDUCT OF EXPULSION HEARING**

1. Closed Session: Notwithstanding the provisions of Government Code 54953 and Education Code 35145, the Board shall conduct a hearing to consider the expulsion of the student in a session closed to the public unless the student requests in writing at least five days prior to the hearing that the hearing be a public meeting. If such request is made, the meeting shall be public, unless another student's privacy rights would be violated.

Whether the expulsion hearing is held in closed or public session, the Board may meet in closed session to determine if the student should be expelled. If the Board admits any other person to the closed session, the parent/guardian, the student, and the counsel of the student, shall also be allowed to attend the closed session. (Education Code 48918(c))

If a hearing that involves a charge of sexual assault or sexual battery is to be conducted in public, a complaining witness shall have the right to have his/her testimony heard in closed session when testifying in public would threaten serious psychological harm to the witness and when there are no alternative procedures to avoid the threatened harm, including but not limited to videotaped deposition or contemporaneous examination in another place communicated to the hearing room by closed-circuit television. (Education Code 48918(c))

2. Record of Hearing: A record of the hearing shall be made and may be maintained by any means, including electronic recording, as long as a reasonably accurate written and complete transcription of the proceedings can be made. (Education Code 48918(g))

3. Subpoenas: Before commencing a student expulsion hearing, the Board may issue subpoenas, at the request of either the student or the Superintendent or designee, for the personal appearance at the hearing of any person who actually witnessed the action that gave rise to the recommendation for expulsion. After the hearing has commenced, the Board or the hearing officer or administrative panel may issue such subpoenas at the request of the student or the County Superintendent of Schools or designee. All subpoenas shall be issued in accordance with the Code of Civil Procedure 1985-1985.2 and enforced in accordance with Government Code 11455.20. (Education Code 48918(i))

Any objection raised by the student or the Board may consider the Superintendent or designee to the issuance of subpoenas in closed session, or in open session if so requested by the student, before the meeting. The Board’s decision in response to such an objection shall be final and binding. (Education Code 48918(i))
If the Board determines, or if the hearing officer or administrative panel finds and submits to the Board, that a witness would be subject to unreasonable risk of harm by testifying at the hearing, a subpoena shall not be issued to compel the personal attendance of that witness at the hearing. However, that witness may be compelled to testify by means of a sworn declaration as described in item #4 below. (Education Code 48918(i))

4. Presentation of Evidence: While technical rules of evidence do not apply to expulsion hearings, evidence may be admitted and used as proof only if it is the kind of evidence on which reasonable persons can rely in the conduct of serious affairs. The decision of the Board to expel must be supported by substantial evidence that the student committed any of the acts listed in "Grounds for Suspension and Expulsion" above.

Findings of fact shall be based solely on the evidence at the hearing. While no evidence shall be based solely on hearsay, sworn declarations may be admitted as testimony from witnesses whose disclosure of their identity or testimony at the hearing may subject them to an unreasonable risk of physical or psychological harm. (Education Code 48918 (f) and (h))

In cases where a search of a student's person or property has occurred, evidence describing the reasonableness of the search shall be included in the hearing record.

5. Testimony by Complaining Witnesses: The following procedures shall be observed when hearings involve allegations of sexual assault or sexual battery by a student: (Education Code 48918)

a. Any complaining witness shall be given five days' notice before being called to testify.

b. Any complaining witness shall be entitled to have up to two adult support persons, including but not limited to a parent/guardian or legal counsel, present during his/her testimony.

c. Before a complaining witness testifies, support persons shall be admonished that the hearing is confidential.

d. The person presiding over the hearing may remove a support person whom he/she finds is disrupting the hearing.

e. If one or both support persons are also witnesses, the hearing shall be conducted according to Penal Code 868.5.

f. Evidence of specific instances of prior sexual conduct of a complaining witness shall be presumed inadmissible and shall not be heard unless the person
conducting the hearing determines that extraordinary circumstances require the
evidence to be heard. Before such a determination is made, the complaining
witness shall be given notice and an opportunity to oppose the introduction of this
evidence. In the hearing on the admissibility of this evidence, the complaining
witness shall be entitled to be represented by a parent/guardian, legal counsel or
other support person. Reputation or opinion evidence regarding the sexual
behavior of a complaining witness shall not be admissible for any purpose.

g. In order to facilitate a free and accurate statement of the experiences of the
complaining witness and to prevent discouragement of complaints, the district
shall provide a nonthreatening environment.

(1) The district shall provide a room separate from the hearing room for the use
of the complaining witness before and during breaks in testimony.

(2) At the discretion of the person conducting the hearing, the complaining
witness shall be allowed reasonable periods of relief from examination and cross-
examination during which he/she may leave the hearing room.

(3) The person conducting the hearing may:

(a) Arrange the seating within the hearing room so as to facilitate a less
intimidating environment for the complaining witness.

(b) Limit the time for taking the testimony of a complaining witness to the hours
he/she is normally in school, if there is no good cause to take the testimony
during other hours.

(c) Permit one of the support persons to accompany the complaining witness to
the witness stand.

6. Decision Within 10 Days: The Board’s decision on whether to expel a student
shall be made within 10 school days after the conclusion of the hearing, unless
the student requests in writing that the decision be postponed. (Education Code
48918(a))

7. Decision Within 40 Days: If the Board does not meet on a weekly basis, its
decision on whether to expel a student shall be made within 40 school days after
the student is removed from his/her school of attendance, unless the student
requests in writing that the decision be postponed. (Education Code 48918(a))
**ALTERNATIVE EXPULSION HEARING: HEARING OFFICER OR ADMINISTRATIVE PANEL**

Instead of conducting an expulsion hearing itself, the Board may contract with the county hearing officer or with the Office of Administrative Hearings of the State of California for a hearing officer. Alternatively, the Board may appoint an impartial administrative panel composed of three or more certificated personnel, none of whom shall be members of the Board or on the staff of the school in which the student is enrolled. (Education Code 48918(d))

A hearing conducted by the hearing officer or administrative panel shall conform to the same procedures as apply to a hearing conducted by the Board as specified in "Conduct of Expulsion Hearing."

The hearing officer or administrative panel shall, within three school days after the hearing, determine whether to recommend expulsion of the student to the Board. If expulsion is not recommended, the student shall be immediately reinstated. (See "Reinstatement.") The Superintendent or designee shall place the student in a classroom instructional program, any other instructional program, a rehabilitation program, or any combination of these programs after consulting with district staff, including the student's teachers, and with the student's parent/guardian. (Education Code 48918(e))

If expulsion is recommended, findings of fact in support of the recommendation shall be prepared and submitted to the Board. All findings of fact and recommendations shall be based solely on the evidence presented at the hearing. The Board may accept the recommendation based either upon a review of the findings of fact and recommendations submitted or upon the results of any supplementary hearing the Board may order. (Education Code 48918(f))

In accordance with Board policy, the hearing officer or administrative panel may recommend that the Board suspend the enforcement of the expulsion for a period of one year. (See "Decision Not to Enforce Expulsion Order" below.)

The Board shall make its decision about the student's expulsion within 40 school days after the date of the student's removal from school unless the student requests in writing that the decision be postponed. (Education Code 48918(a))

**THE DISCIPLINE REVIEW PANEL-EXPULSION PANEL**

The Discipline Review Panel will consist of secondary educators when a review is being made of a secondary student.

1. The Discipline Review Panel shall hear the following types of disciplinary cases:
a. Requests for expulsion from site principals or the Superintendent.

b. School site administrative requests for assistance (non-expulsion situations).

2. Each discipline review panel shall consist of three certificated persons plus a chairperson and shall consist of elementary educators when a review is being made of an elementary student and of secondary educators when a review is being made of a secondary student. A panelist may not serve on any panel involving a student who is currently attending the school in which he/she is assigned. A representative from Student Services shall be a nonvoting member of each panel.

A chairperson and assistant chairperson, to serve when the chairperson is unable to serve, shall be appointed by the Superintendent or designee and shall serve at his/her pleasure. Neither shall be a member of the Student Services staff.

A pool of panelists shall be established which shall be composed of personnel who have served or are currently serving as members of administrative expulsion panels. The committee chairman shall select members to serve on individual panels.

The meetings of the discipline review panel are open to school district personnel only.

The duties of the Discipline Review Panel are as follows:

1. The chairperson shall call a meeting of the panel as soon as possible, but no later than 10 school days after the receipt of notice of a pending case.

2. A recommendation must be forwarded to the Director, Office of Student Services, within three days of the review hearing.

3. In the event a member of the committee cannot be present at a meeting, the Director, Office of Student Services, will appoint an alternate from the pool to attend.

**FINAL ACTION BY THE BOARD**

Whether the expulsion hearing is conducted in closed or public session by the Board, a hearing officer, or an administrative panel, the final action to expel shall be taken by the Board at a public meeting. (Education Code 48918(j))

(cf. 9321.1 - Closed Session Actions and Reports)
If the Board conducts the hearing and reaches a decision not to expel, this decision shall be final and the student shall be reinstated immediately.

Upon ordering an expulsion, the Board shall set a date when the student shall be reviewed for readmission to a school within the district. For a student expelled for an act listed under “Mandatory Recommendation and Mandatory Expulsion” above, this date shall be one year from the date the expulsion occurred, except that the Board may set an earlier date on a case-by-case basis. For a student expelled for other acts, this date shall be no later than the last day of the semester following the semester in which the expulsion occurred. (Education Code 48916)

At the time of the expulsion order, the Board shall recommend a plan for the student’s rehabilitation, which may include: (Education Code 48916)

1. Periodic review as well as assessment of the student at the time of review for readmission.

2. Recommendations for improved academic performance, tutoring, special education assessments, job training, counseling, employment, community service and other rehabilitative programs.

With parental consent, students who have been expelled for reasons relating to controlled substances or alcohol may be required to enroll in a county-sponsored drug rehabilitation program before returning to school. (Education Code 48916.5)

Written Notice to Expel

The Superintendent or designee shall send written notice of the decision to expel the student or parent/guardian. This notice shall include the following:

1. The specific offense committed by the student for any of the causes for suspension or expulsion listed in Education Code 48900 (a)-(q), Education Code 48900.2-48900.4, 48900.8, Education Code 48915 (c) and (Education Code 48900.8).

2. The fact that a description of readmission procedures will be made available to the student and his/her parent/guardian. (Education Code 48916)

3. Notice of the right to appeal the expulsion to the County Governing Board. (Education Code 48918)

4. Notice of the alternative educational placements to be provided to the student during the time of expulsion. (Education Code 48918)
5. Notice of the student or parent/guardian’s obligation to inform any new district in which the student seeks to enroll of the student’s status with the expelling district, pursuant to Education Code 48915.1 (Education Code 48918).

**DECISION NOT TO ENFORCE EXPULSION ORDER**

In accordance with Board policy, when deciding whether to suspend the enforcement of an expulsion, the Board shall take into account the following criteria:

1. The student’s pattern of behavior.

2. The seriousness of the misconduct.

3. The student’s attitude toward the misconduct and his/her willingness to follow a rehabilitation program.

The suspension of the enforcement of an expulsion shall be governed by the following: (Education Code 48917)

1. The Board may, as a condition of the suspension of enforcement, assign the student to a school, class or program appropriate for the student’s rehabilitation. This rehabilitation program may provide for the involvement of the student’s parent/guardian in the student’s education. However, a parent/guardian’s refusal to participate in the rehabilitation program shall not be considered in the Board’s determination as to whether the student has satisfactorily completed the rehabilitation program.

2. During the period when enforcement of the expulsion order is suspended, the student shall be on probationary status.

3. The suspension of the enforcement of an expulsion order may be revoked by the Board if the student commits any of the acts listed under “Grounds for Suspension and Expulsion” above or violates any of the district’s rules and regulations governing student conduct.

4. When the suspension of the enforcement of an expulsion order is revoked, a student may be expelled under the terms of the original expulsion order.

5. Upon satisfactory completion of the rehabilitation assignment, the Board shall reinstate the student in a district school. Upon reinstatement, the Board may order the expunging of any or all records of the expulsion proceedings.
6. Suspension of the enforcement of an expulsion order shall not affect the time period and requirements for the filing of an appeal of the expulsion order with County Board of Education.

7. The Superintendent or designee shall send written notice of any decision to suspend the enforcement of an expulsion order during a period of probation to the student or parent/guardian. The notice shall also inform the parent/guardian of the right to appeal the expulsion to the County Board of Education. (Education Code 48918 (j))

**RIGHT TO APPEAL**

The student or parent/guardian is entitled to file an appeal of the Board's decision to the County Board of Education. The appeal must be filed within 30 days of the Board’s decision to expel, even if the expulsion action is suspended and the student is placed on probation. (Education Code 48919)

**POST-EXPULSION PLACEMENTS**

The Board shall refer expelled students to a program of study that is: (Education Code 48915, 48915.01)

1. Appropriately prepared to accommodate students who exhibit discipline problems.

2. Not provided at a comprehensive middle, junior or senior high school or at any elementary school, unless the program is offered at a community day school established at such a site.

3. Not housed at the school site attended by the student at the time of suspension.

(cf. 6185 - Community Day School)

When the placement described above is not available, and when the County Superintendent of Schools so certifies, students expelled for acts described in items #6 through #13 and #17 through #19 under “Grounds for Suspension and Expulsion” may be instead referred to a program of study that is provided at another comprehensive middle, junior, or senior high school, or at an elementary school. (Education Code 48915)

The program for a student expelled from any of grades K-6 shall not be combined or merged with programs offered to students in any of grades 7-12. (Education Code 48916.1)
READMISSION AFTER EXPULSION

Readmission procedures shall be as follows:

1. On the date set by the Board when it ordered the expulsion, the district shall consider readmission of the student. (Education Code 48916)

2. The Superintendent or designee shall hold a conference with the parent/guardian and the student. At the conference the student’s rehabilitation plan shall be reviewed and the Superintendent or designee shall verify that the provisions of this plan have been met. School regulations shall be reviewed and the student and parent/guardian shall be asked to indicate in writing their willingness to comply with these regulations.

3. The Superintendent or designee shall transmit to the Board his/her recommendation regarding readmission. The Board shall consider this recommendation in closed session if information would be disclosed in violation of Education Code 49073-49079. Regulation Central Union High School District

Approved: 05/2005, El Centro, California

In accordance with Board policy prohibiting sexual harassment in the workplace, the purpose of this regulation is to provide a procedure to handle complaints of sexual harassment.
SEXUAL HARASSMENT DEFINED

Pursuant to Education Code 212.5, unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature constitute sexual harassment when:

1. Submission to the conduct is made either an explicit or implicit condition of employment, status, or promotion.

2. Submission to or rejection of the conduct is used as the basis for an employment decision affecting the harassed employee.

3. The harassment substantially interferes with an employee's work performance or creates an intimidating, hostile, or offensive work environment.

4. Submission to, or rejection of, the conduct is the basis for any decision affecting benefits, services, honors, programs, or other available activities.

Unlawful sexual harassment under the Fair Employment and Housing Act (FEHA) also includes unwelcome sexual advances of an employer toward an employee of the same sex and harassment on the basis of pregnancy disability. [Gov. Code 12940 (h) (3) (c)]

EXAMPLES OF SEXUAL HARASSMENT

By way of example, sexual harassment includes, but is not limited to:

If there is no supervisor, manager, or administrator to whom the employee is comfortable reporting the incident, the report may be made to the next higher level in the chain of command.

2. Any supervisor, manager, or administrator who has received a report, verbally or in writing, from any employee regarding sexual harassment of that employee or another employee by a student or adult in the work place must forward that report to the Cabinet level administrator within twenty-four (24) hours, or within a reasonable extension of time thereafter for good cause.

3. All complaints of sexual harassment will be investigated and promptly resolved.

4. Upon receipt of an allegation of sexual harassment, the supervisor, manager, or administrator will designate an investigator who will initiate an investigation into the complaint within 48 hours.

6. After completion of the investigation, the manager will render his/her findings and a recommended disposition of the complaint. In determining whether the alleged conduct constitutes sexual harassment, the manager will look at the record as a whole and the totality of the circumstances, including the nature of the alleged sexual harassment and the context in which the alleged incidents occurred.
7. If the complainant is not satisfied by the report of the manager and the recommended disposition, he/she may submit the matter to the appropriate Cabinet officer. The complainant shall make an appeal in writing stating the reasons why the complainant is dissatisfied with the report and recommended disposition. The accusation will lead to either a public hearing before the Fair Employment and Housing Commission or a lawsuit filed on the complainant's behalf by the Department. If the Commission finds that harassment occurred, it can order remedies, including up to $50,000 in fines or damages for emotional distress from each employer or harasser charged. 3.1. All employees will follow “Universal Infection Control Precautions” by assuming that blood and other body fluids from all individuals are potentially infectious. These precautions include:

a. Routinely using gloves when anticipating contact with blood

b. Immediately washing hands and other skin surfaces after removal of gloves and/or contact with blood

3.2. Schools will be provided with appropriate protective equipment including disposable waterproof gloves (natural rubber latex, neoprene, nitrile, or vinyl), tongs or pliers and proper sharps containers.
3.3. Schools’ medical room mattresses will be either vinyl-coated beds or cloth mattress with a protective vinyl (plastic) covering so that they can be cleaned as needed with a bleach solution.

3.4. Blankets can be cleaned as needed by forwarding them, in a clearly labeled plastic bag, to the Assistant Supervisor Operations at the Facilities Office.

4. Universal Precautions

4.1. Universal Precautions to prevent transmission of blood-borne disease will be followed. *Universal Precautions* is the term for infection control measures endorsed by the Canadian Centre for Occupational Health and Safety for workers who might come into contact with blood and other body fluids. In summary they include:

a. Wash hands for 30 seconds after contact with blood and other body fluids contaminated with blood.

b. Wear disposable latex gloves when you encounter blood, body fluids, or when cleaning cuts, scrapes or wounds. Wash your hands as soon as you remove your gloves. Dispose gloves in a plastic bag.

c. Use disposable absorbent material like paper towels to stop bleeding.

d. Discard bloodstained material in a sealed plastic bag and deposit in the garbage. Label as containing blood-tainted material.

e. Cover cuts or scratches with a bandage until healed.

f. Immediately protect staff and students from coming in contact with blood-soiled surfaces. The area must be disinfected with a fresh solution of one part bleach and nine-parts water (10% bleach solution). Mops or brushes used for cleaning should be soaked in a bleach solution for 20 minutes.

(Note: The custodial department will provide each school with the product for dissolving in water to provide the bleach solution.)

5. Identification of Risks of Occupational Exposure

5.1. In accordance with the Occupational Health and Safety Regulations (section 6.35), the district’s Health & Safety Coordinator will develop and maintain a list of
positions and/or tasks and procedures where there is a potential for occupational exposure to a blood borne pathogen.

5.2. Employees who have, or may have, occupational exposure to the hepatitis B virus, will upon request, receive a hepatitis B vaccination (section 6.39, OH&S Regs).

5.3. Employees who may have been exposed to a blood borne pathogen in an exposure incident will be advised to immediately seek medical attention
PROCEDURES TO ENSURE A SAFE AND ORDERLY ENVIRONMENT

RULES AND PROCEDURES ON SCHOOL DISCIPLINE

PHILOSOPHY OF DISCIPLINE

• Behavior expectations and the consequences for not meeting expectations must be clearly communicated to all students and their parents (in writing as well as verbally).

• The severity of consequences for violating behavior expectations increases with each incident of inappropriate behavior.

• The consequences for violating behavior expectations should be severe enough to discourage students from making poor behavior decisions.

• Expectations and consequences should permit students an opportunity to eliminate inappropriate behavior.

Additionally, the school staff recognizes that the high school years are a transition time from adolescence to young adulthood. As a part of this transition, the student is given greater opportunities to be responsible and demonstrate independence and good judgment. The structure of our behavior expectations (in the classroom as well as school wide) is meant to encourage students to be responsible. The first step in many instances of inappropriate behavior (those considered to be "minor") is a simple warning ("Your behavior is unacceptable. Please stop such behavior"). It is only when a student ignores such warnings and continues to choose to act irresponsibly (like a child rather than an emerging adult) that we involve parents and implement consequences.

ELEMENTS OF AN EFFECTIVE DISCIPLINE PROGRAM

1. The program is focused upon making the entire campus, especially the classroom, a safe, supportive and orderly learning environment for students and staff.

2. Classroom authority is retained by the classroom teacher. (Administration's role is to support, not to replace.)

3. Rules and procedures are clearly understood by staff and students.

4. All staff members will acknowledge and take appropriate action on any minor or major infraction of the school rules.

5. Rules and procedures comply with State Law and District policies.

6. The program recognizes the responsibilities and the rights of students and staff.
7. Program is structured to keep students in class and engaged in the educational process.

8. Rules are enforced:
   a. By all staff members at all times.
   b. Strictly, but not rigidly (beware of "automatics").
   c. In substantial part by adult modeling.
   d. Using techniques that promote the growth of positive self-esteem.
   e. As close to the source as is possible. By keeping parents informed.

9. The discipline program is understood, endorsed, and supported by staff, parents, and students.
PRINCIPAL’S STATEMENT TO EDMS STAFF

EXPECTATIONS IN DEVELOPING AND MAINTAINING DISCIPLINE

As Principal of our school, I will expect:

Each teacher to have a defined system of classroom management. A written description of this system, including representative examples of the progressive interventions you intend to employ, will be approved and filed by me. Whenever possible and appropriate, teachers are encouraged to use standards and systems that are consistent with other school/department members.

You can expect

Each administrator to assist and support you in every reasonable way in developing, implementing, and refining that system as needed.

I will expect that when you refer a student for discipline:

1. The student has been made fully aware of classroom and school rules and knows what rules he/she has violated.

2. Teachers that have students with any continuing behavior problems schedule a parent/teacher/counselor conference with the student and parents when appropriate.

3. That information will be provided on the referral regarding previous actions you have taken regarding this specific issue.

4. You have exhausted the interventions at your disposal (i.e., you have done everything you can do) and you have followed the guidelines established by the administration and staff on what constitutes an appropriate behavior referral.

5. The behavior was so serious or so blatant as to make immediate removal from the classroom necessary.

6. The written referral will be explicit in stating the offense(s).

7. You will send the student out of class with a referral only if his/her continued presence in the class would disrupt or prevent teaching and/or learning.

8. If necessary, the referral will be delivered to the office at a time convenient to the staff member so that the issue may be handled most efficiently, causing a minimum of lost class time.
**You can expect:**

1. The administrator will support your position in every reasonable way.

2. A response time on your referral of one, or at most, two days.

3. The availability of an administrator to discuss unresolved referrals after school on any given day.

4. That the administrator will exercise independent judgment regarding disposition of referrals.

**I will expect**

1. That each teacher will go to the doorway of his/her classroom after each class period as often as possible and assume control of student behavior in the corridor.

2. That each staff member will hold students accountable for their behavior on the school grounds at all times.

**You can expect:**

1. Administrator support, investigation, and follow-through as indicated.

2. A response to referrals from incidents outside the classroom to be the same as to those within.

WHAT TO DO WHEN PROBLEMS APPEAR

Both behavioral and academic problems are present in some of our students. The following guidelines are for teachers who ask for assistance in dealing with these problems:

1. Talk to the administrator assigned to the specific area needing assistance.

2. Call parents at first sign of concern. Inform the parents of your observations, ask for their ideas, assistance, and support in serving the student. Keep a log of your calls.

3. If possible, talk privately to the student about your concerns.

4. Behavior concerns—look through students’ CUM file. Any official suspensions will be in file, also look for teacher comments on report cards. Look for patterns of behavior. We use a Student Alternative Placement Program whenever possible, as it is preferable to having students at home unattended. Serious infractions (fighting, threats, etc.) do result in official suspension. Unresponsive students can be moved to other schools or expelled.

5. Referrals—please remember if you write a student referral, you are required to call the parents. You are writing the referral and can answer the parents’ questions firsthand. Administrators will also call parents, but we can only give secondhand information on the incident.

6. Academic Concerns—again, look through student CUM. This will contain test scores, report cards, and a student history. You may want to ask the Student Services Administrator to schedule a Student Success Team (SST) meeting. This will involve a conference with the student, parents, an administrator, teachers, the student’s counselor and perhaps the school psychologist.

7. Please refer to the DESERT OASIS HIGH SCHOOL and PHOENIX RISING HIGH SCHOOL School Faculty Handbook, as it provides guidelines for academic and disciplinary matters.
California law requires the Comprehensive School Safety Plan of each school to be annually evaluated and amended, as needed, to ensure the plan is being properly implemented (Education Code 35294.2[e]). An updated file of all safety-related plans and materials is maintained by DESERT OASIS HIGH SCHOOL and PHOENIX RISING HIGH SCHOOL and is readily available for inspection by the public.

California law also requires notice for public input prior to the adoption of the Comprehensive School Safety Plan. Notice for public comment was provided on January 31, 2017 at DESERT OASIS HIGH SCHOOL and PHOENIX RISING HIGH SCHOOL. Notice was provided by the Central Union High School Black Board Connect voice message sent home to parents.

DESERT OASIS HIGH SCHOOL and PHOENIX RISING HIGH SCHOOL “School Site Council” has evaluated our Comprehensive School Safety Plan for 2017-2018 school year. The 2018-2018 Safety Plan will be reviewed by March 2018.
